Article: I do not have friends in tennis, says Maria Sharapova

Summary: I think everyone just thinks because we're tennis players we should be the greatest of friends. I think just because you're in the same sport doesn't mean that you have to be friends with everyone just because you're categorized, you're a tennis player, so you're going to get along with tennis players. Maria Sharapova has basically no friends as tennis players on the WTA Tour. Uhm, I'm not really friendly or close to many players.

Article: Federer defeats Medvedev to advance to 14th Swiss Indoors final
Summary: BASEL, Switzerland (AP) — Roger Federer advanced to the 14th Swiss Indoors final of his career by beating seventh-seeded Daniil Medvedev 6-1, 6-4 on Saturday. Federer dominated the 20th-ranked Medvedev and had his first match-point chance to break serve again at 5-1. Copil upset expectations of a Federer final against Alexander Zverev in a 6-3, 6-7 (6), 6-4 win over the fifth-ranked German in the earlier semifinal. Federer had an easier time than in his only previous match against Medvedev, a three-setter at Shanghai two weeks ago.
